1. Mr. Irwin, Staff, Loyalty Review Board, called to post-audit the Cases 6, 10 and 11. In view of the fact that the files were not properly edited for inspection, I told him that they were not available today and that he should call at the beginning of the week.
2. Col. Herndon of Security Control, Joint Intelligence Group, Joint Chiefs of Staff, requested information as to the public material available on CIA. I referred him to the Vandenberg statement and to the Director's articles in the ONI Monthly and the Army Information Service.
